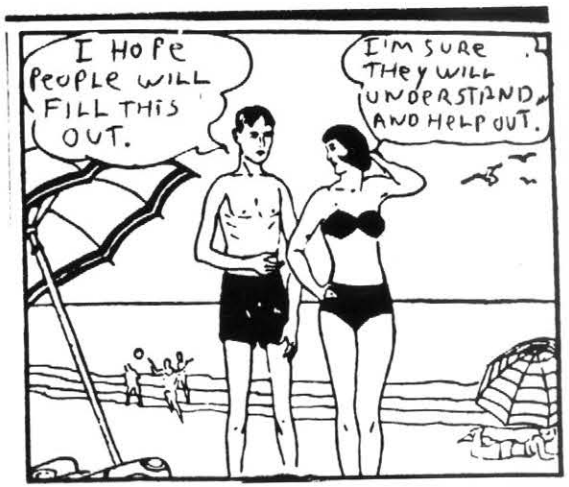
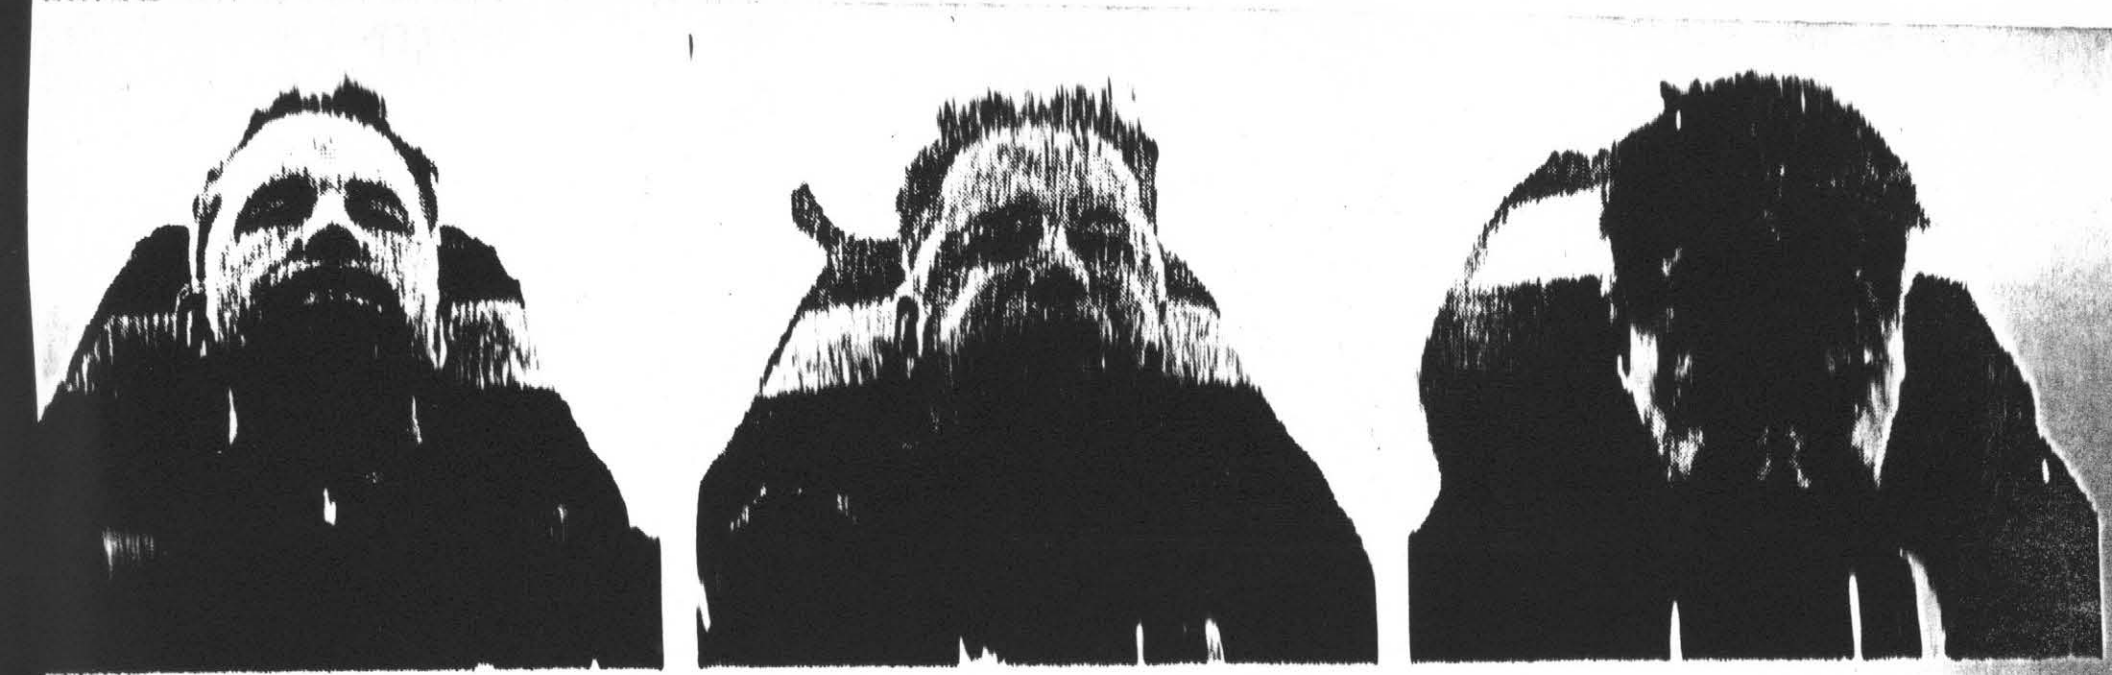
SAMPLE





**HERO OF SCIENCE** Colonel John Paul Stapp sits aboard his speed sled which ill be accelerated to over 600 miles an hour, then brought to a sudden, shattering halt. These markable scenes, photographed aboard the sled, show the terrible strain undergone by e Colonel at the instant of the stop. Used to determine the shock jet pilots undergo when ailing out, these heroic tests will save lives.

**Could *anything* be more exciting than television?**

The boy has a dog.

What kind of work do you like to do?

He said he couldn't come before next Saturday.

We went to the mountains for our vacation last summer.

The ocean covers three-quarters of the surface of the earth.

We were surprised to learn that they had elected a new president and formed a new government.
